## K-12 Summer Reading Guidelines District Summer Reading List - Elementary

Web Version  
Summer 2018

Titles have been selected for age appropriate reading level and content; however, parents are encouraged to help their child make a selection by previewing the titles for difficulty of the text, subject matter, and content. School and public libraries do not keep multiple copies of titles as a standard practice and aren't intended to serve as the only source of the summer reading titles.
